Q4 Return to Hockey What concerns or questions do you have within the Hockey Saskatchewan Return to Hockey Guidelines or anything related to the current Provincial Government Public Health Order?

Answered: 20 Skipped: 5

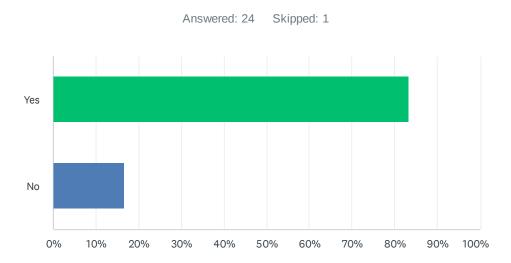

#	RESPONSES	DATE
1	Vaccine policies be mandated in all rinks	10/18/2021 9:17 PM
2	Hockey Sask should mandate vaccination policy in all rinks in Sask.	10/18/2021 9:15 PM
3	none	10/18/2021 2:19 PM
4	My only current concerns with the current guidelines was about masking for refs in which Kelly clarified during the last meeting.	10/17/2021 5:39 PM
5	Proof of Vax or testing WILL NOT help kids play hockey. Will Hockey Sask stand up for freedom of choice and common sense?	10/14/2021 10:39 PM
6	The one thing I feel is any persons over the age of 12 who are fully vaccinated should be able to be on the ice without a mask be it coaching or officiating. This could be presented to the government as just another way of helping getting people vaccinated.	10/14/2021 11:24 AM
7	If vaccine passports become mandatory how it would be enforced at a volunteer level	10/14/2021 11:16 AM
8	Concerned with larger centers implementing mandatory vaccines and if this is going to trickle down to smaller centers.	10/14/2021 9:41 AM
9	Appreciate all the work SaskHockey has done to make it work.	10/14/2021 8:48 AM
10	We have concerned parents regarding the future of mandatory vaccinations in arenas. Among officials, there is concern regarding masked officials and the delay in calling plays because they have to pull their mask down before they can blow the whistle.	10/14/2021 8:12 AM
11	No more restrictions	10/14/2021 7:37 AM
12	Great to hear you are working on the refs being able to ref without a mask. This could lead to some problems in games not being able to blow the whistle fast enough pulling down the mask.	10/14/2021 4:51 AM
13	I appreciate all the work Hockey Sask is doing for our players	10/13/2021 4:49 PM
14	Leave things the way they are no more restrictions	10/13/2021 1:13 PM
15	Close contacts and best way to avoid them is eliminate the dressing rooms for the younger unvaccinated age groups	10/13/2021 1:00 PM
16	-masking in general. Like mentioned in the meeting, hoping that officials and coaches can be exempt from wearing masks on the ice like the athletes. Would really like to see no masks for any physical activityclose contact procedures. While its not directly Hockey Sask's call. anyone not vaccinated deemed a close contact in school is told to only attend school and not attend any extra circulars until a certain date. The trickle effect is parents keeping their kids home from school to avoid possible extensions of that isolation order. Would like to see a blanket of self-monitoring regardless of vaccination status. (especially for ages that are not eligible to be vaccinated)	10/13/2021 12:32 PM
17	The policing of it as covid rep are concerned about it	10/13/2021 11:07 AM
18	Why is there no exemption for coaches to not wear a mask? We should be encouraging people to get vaccinated and rewarding those that have will help.	10/13/2021 10:23 AM
19	This was talked about at the meeting but if the we could it changed so officials don't have to wear masks that would be great.	10/13/2021 10:19 AM

Keep masks off the kids faces for games and it's all good. I don't think coaches that are double vaccinated should have to wear masks. But not major thanks

2	Information is always valuable. Some reminders on things helps as well and being able to watch later if not able to attend is great.	10/14/2021 11:24 AM

4	As a league that scheduled U9 and U11 playoffs for all teams into middle of march, do not agree with tournament format directed by Hockey Canada. However we will make it work !!	10/14/2021 8:48 AM
5	skills days for the players during PD's, some of the skills people with hockey sask make a trip out.	10/14/2021 4:51 AM
6	Too much new stuff beginning of year	10/13/2021 1:13 PM
7	It was brought up on the call but the U9 players should be able to play games starting Dec 1. The 4 weekends of carded hockey and a Jan 1 date make it difficult. The idea that a tournament format playoffs will encourage leagues to play later in the year is the wrong idea. If the goal is to play longer then mandate that league play is until a certain date and playoffs must be completed within another time frame.	10/13/2021 10:23 AM
8	U9 should be started in November. No reason in waiting till January with all the weekends being used up for carded teams. It's tough to get any season formed. Thanks.	10/13/2021 10:15 AM
