Annual General Meeting

The Hockey Saskatchewan Annual General Meeting is being moved to early August from the traditional June timeframe.

This provides more time to prepare and distribute the Audited Financial Statement of the previous year.

When new Directors are elected to the Board it allows them to immediately get involved within the Board of Directors as opposed to traditionally seeing a four to five week “down time” over the summer.

The change still complies with ISC Compliance and Sask Sport guidelines to carry out a AGM within four months of year end.

The date will be Tuesday, August 6, 2024, at 7:00 pm and will be held virtually.

MHA Matching Grant Program – 2023/24

The Board of Directors have approved an MHA Matching Grant Program for the 2023/24 season in support of MHA's across the Province.

Support will be provided with the expense of hiring Power Skating Instructors or to have a local person trained to be a Power Skating Instructor to assist in Player Development with a matching grant of up to \$1,000.00.

One application per MHA will be accepted and the MHA must match the Grant received. The online application access will be made available October 15, 2023.

<https://hockeysask.ca/news/listing/hockey-saskatchewan-mha-matching-grant-program-returns-to-boost-skater-development>

Officials Registration Numbers

This season we have achieved the largest number of registrations ever within the Province

Retention will be the key to continue to grow our Officiating Program and a major contributor of that is to provide support for our officials. This time of year provides a great opportunity to ensure we have official coaches out to support the officials as the intensity ramps up with Provincials and League Playoffs.

Those interested in coaching can check out the information on the Hockey Saskatchewan Website at:
