## Annual General Meeting

The Hockey Saskatchewan Annual General Meeting is being moved to early August from the traditional June timeframe.

This provides more time to prepare and distribute the Audited Financial Statement of the previous year.

When new Directors are elected to the Board it allows them to immediately get involved within the Board of Directors as opposed to traditionally seeing a four to five week “down time” over the summer.

The change still complies with ISC Compliance and Sask Sport guidelines to carry out a AGM within four months of year end.

**The date will be Tuesday, August 6, 2024, at 7:00 pm and will be held virtually.**

## Board of Director Approved AAA/AA Committee Recommendations (Continued)

- The Geographic Subdivisions of Moose Jaw and Prince Albert will be opened for U15 AA beginning in the 2024/25 season and therefore are now open for U15 AA, U16 AA and U18 AA only.
- Governance agreements between Minor Hockey Associations who have U18 AAA Male and Female teams have been amended and must be signed for three-year periods.
- Hockey Saskatchewan has created a Governance Template for those Male and Female AA Programs which are administered on a regional basis involving multiple Minor Hockey Associations.
- Due to an oversight during the Female AA review last season which left a large area of the province “exposed” to no AA Program at U18 Female surrounding Regina, a U18 AA Program has been awarded to Lumsden-Bethune Minor Hockey which compliments their current U13 and U15 AA programming in their Association. This now ensures that the Provincial U18 AA League consists of twelve teams, six in both the north and south.

If, and when, Hockey Saskatchewan must forward cheques to an Association you will receive an email notifying that a cheque will be forthcoming.
