**Retention Definition: Year-Over-Year (YoY) Retention Rate** - YoY Retention Rate is calculated using the number of registered participants from the current season who are rostered in the following season, divided by the total number of registered participants rostered in the current season.

National YoY Retention Rate over same 4 year span - 77.19%

Associations with a Retention Rate under the Provincial Average of 83.12% during this 4 year span.

| Year                         |                              | 2019            | 2020            | 2021            | 2022            | Total           |
