9	We are over strength with officials	9/16/2022 9:13 PM
10	Asking you kids	9/16/2022 8:30 PM
11	Offered to cover cost of clinics	9/16/2022 7:42 PM
12	Not much..word of month..school announcements..	9/16/2022 4:44 PM
13	Hosting an officiating clinic to recruit	9/16/2022 4:10 PM
14	We have an officials coordinator and 2 senior official that will mentor all officials. We pay for our officials registration/insurance, we reimburse first time officials up to \$75 for any equipment purchases they need to officiate ie. visors, shin pads, whistle. We also provide each official with a ref jersey and arm bands to use each season	9/16/2022 3:19 PM
15	Increased supervision/support in 2021/22 Host clinics 2021/22 and this season. Directly contacting existing officials. Communication to entire membership about local clinic, and working on marketing/communicating within schools both with posters and in person.	9/15/2022 5:42 PM

22	Verbal communication, posters and emails with information	9/14/2022 7:51 PM
23	We have sent out stuff at school, community calendars that everyone gets and we offer to pay for the officials clinic. If we have too many officials some may not break even with only being able to ref younger levels.	9/14/2022 4:55 PM

Membership Meeting Feedback

24 Booked on ice officiating course in Esterhazy. Hockey Canada Skills Academy has an officiating session as part of the course. This has engaged many new young officials in are association last year. We will reach out to older official to encourage them to continue officiating.

Q8 Last Spring, Hockey Saskatchewan reported on the findings of a Equity, Diversity and Inclusion Project. The three primary results were:Developmental opportunities to become a better playerA welcoming atmosphereWhether there are qualified/good coachesHas your Association taken any initiatives in any or all of the three areas listed above and if so, what are they?

3	We hold fall and winter camps for player development. These are open to all players of our association and adjacent associations. As an addition this year we are holding a developing defenseman camp offered through SHA. Cost remains a deterrent for accessibility for all members of our association. We subsidize this cost as much as possible but are unable to offer for free. Our association offers equal opportunity to play, coach and officiate with male and female coaches, players and officials. Additionally, our association has developed a good relationship with adjacent first nation communities where they are welcome and encouraged to join our teams across all age divisions. Our coaching staff is comprised of male and female coaches with varying levels of experience from Intro to Coach to Development 1. The association pays for all coaching clinics and encourages coaches to be on-ice for all hockey camps brought into the association for player development for their own development as a coach.	9/18/2022 1:23 PM
4	Now that covid is hopefully behind us we plan to up our development once again with power skating coaches and camps. We are also looking at longer practice times. We have always tried to keep our coaching staff educated and may look at changing a few roles around this season. I firmly believe in the past number of years we have done a good job of making our association as welcoming as possible.	9/18/2022 9:59 AM
5	We have player development opportunities, we have a welcoming atmosphere, we have good coaches. We are also working on improving in these areas.	9/17/2022 2:56 PM
6	We have always been striving for the above. So we have continued to work hard to do all of these. We have had a new developmental opportunity for our U11 and U13 teams.	9/17/2022 11:24 AM
7	No	9/17/2022 9:32 AM
8	We have instituted feedback surveys on our coaches to ensure all families are happy with the coaching. Mid year and end of year	9/16/2022 9:13 PM
9	We feel our association meets these initiatives well already.	9/16/2022 7:42 PM
10	Getting a new arena ..be ready for 23 -24 season..with that come more opportunities	9/16/2022 4:44 PM
11	Hosted coach development clinics in all areas. Hosted power skating opportunities for an affordable cost.	9/16/2022 4:10 PM
12	We have not	9/16/2022 3:19 PM
13	We're constantly working on these areas through working with our team officials to build a team community (family social activities), host association events (year end banquet and celebration), host Hockey Day in Wakaw, and we outfitted new members to the association with equipment last year; host skating/skills sessions and welcome guest coach to run practices to share with coaches different drills and approaches; we are hosting a coaching clinic in town to support our parents/volunteers becoming certified. We'll continue to work on things in all three areas with different plans/approaches.	9/15/2022 5:42 PM

14	A welcoming atmosphere is always important especially for newcomers. We have offered power skating and goalie specific ice times to develop players.	9/15/2022 10:40 AM
15	We are going to discuss these initiatives with coaches that will be working to make this happen	9/14/2022 9:39 PM
16	We work at and promote these initiatives at all times even before this project started.	9/14/2022 9:24 PM
17	Yes	9/14/2022 8:40 PM
18	Yes, we have recruited new coaches who are known to be good either kids, instruction and a good balance of fun. We have declined to offer a few coaches the opportunity to come back due to negative feedback. We are partnering with the college to help with skills as well as mentoring	9/14/2022 7:51 PM
19	We have brought in skill coaches to different practices. We communicate with the coaches and see if we can purchase training stuff for practices to help. Being a small town team our players have played from U7 all the way up with the same teammates yes players change over time but the coaches have a strong relationship with there players. We have 3 females on the U15 team and they know they are an important part of the team and treated the same.	9/14/2022 4:55 PM
20	We have hired skills coaches for on ice player and coach development the past two years and are continuing this year. Also have hired goalie instructors to put on 4 sessions this season. This is all paid for by our minor hockey association. Last season was the first time we have had a U7 Jamboree, we have booked again for this season as we had lots of positive feed back.	9/14/2022 4:11 PM

20	Thank you for all the hard work you do in all parts for hockey. The HCR improvements. I really appreciated the fact that you pointed out that the News reported some misinformation about Hockey Canada and showed the correct information. We in NEMHL use Game Sheet App on iPad for our game sheet reporting and schedules. It works very well. But, we cannot use this for Provincial games, I think it would be something to work on and use as then all involved that need game sheet receive electronically and save time and paper. It is so much easier to decipher as it isn't in someone's handwriting. Just a suggestion. And Please, no more unscientific medical mandates or lockdowns like before.	9/14/2022 9:24 PM

Membership Meeting Feedback

lack confidence in making a call, not knowing where to be on the ice with the 2 refs 1 lines system, and then on top of that coaches getting mad, and then it gets worse. It's not just in our association it's all over the province. I coach at different levels (3 boys in hockey) and have played. I have been a ref in the past and may take it again to help our association with costs of refs, so I get the ear full too. How often are these refs actually checked in on and what feedback do they get for cross ice and half ice? Have someone evaluate and make sure these refs are reffing at the proper level. Yes they passed the clinic and are mentored but have an outside evaluator evaluate one game a year. Maybe you save a few from quitting. Unfortunately a lot of issues from this area. Players safety, coaches losing there cool etc. I understand they start somewhere too but we need to support them and help them succeed not fail and quit. How often do we see kids cutting grass getting yelled at by someone walking by? Another thing is why doesn't hockey Sask ever have a thank you event for your MHA associations get each association to send someone and have a gathering. Pre game gathering supper and VIP night at a pats game? This would be a great networking tool and social outing. Then you have contacts on these calls, and might be some discussion. They put in countless hours volunteering and are your foot soldiers and only a couple coaches get recognized at the year end. We always want more but it's time to pay it back to these people who do a lot of work especially when hockey is getting a black eye with what's going. These people are out promoting the game. Let's make it the "coolest" game once again. Anyways have a great season and look forward to a fun year at the rink. Thanks Brad

24	Is there a reason Hockey Sask does not list a population for Emerald Park for provincial playoffs? There is a substantial amount of population missed when Prairie Storm is entering teams in Provincials.
