Current Wording: Non-Sanctioned Winter Hockey Policy

(August 15th to April 1st)

Hockey Saskatchewan respects the rights of individuals to consider programming outside their local MHA; however, if that outside programming focuses on the recruitment of players, formation of teams, competition and playing games outside of Hockey Saskatchewan sanctioned activities, Hockey Saskatchewan will protect those MHAs and their members.

It is Hockey Saskatchewan's role to assist, protect, and support every MHA in the development of their association, its coaches, players, and officials. Hockey Saskatchewan invests through its membership fees, Hockey Canada, and Sask Lotteries funding player, coach, and officiating development that continues to enhance winter programming.

Hockey Saskatchewan recognizes Skill Development Programming that is available outside of the programming of an MHA and encourages the participation in such programming if the focus is on every player being given the chance to register and the focus is solely on skill development and not team formation, competition, and games. Hockey Saskatchewan sanctions "Hockey Sask Skill Licensees" and these can be found on the Hockey Saskatchewan Website.

Procedure

Winter season: August 15 until April 1 annually

Note: Definition of "non-sanction hockey programming" is at the absolute discretion of the Hockey Saskatchewan Board of Directors and/or Hockey Saskatchewan staff.

Players

Any Minor, Female, or Senior aged player who participates with a Non-Sanctioned winter hockey programming during the current winter hockey season and prior to

February 10th of the current year and wishes to return to Hockey Saskatchewan sanctioned programming, must apply for a concession from the Hockey Saskatchewan Registration Committee for re-instatement. The deadline to apply is February 10th of the current year. The player submits their concession to their respective Minor Hockey Association or Senior League, and if the Minor Hockey Association or Senior League chooses to support the application, the Minor Hockey Association or Senior League will work with the Hockey Saskatchewan Registration Committee to determine if the player can be accommodated. As roster sizes, tiering and registration deadlines can all be factors, there is no guarantee that a player will be able to return within the season. The Registration Committee will decide what level of hockey that player can participate in. Additionally, Hockey Saskatchewan will only accept players registered in the current season with a Hockey Saskatchewan member Minor Hockey Association and Senior League or Accredited School into Provincial Programming. This includes Sask Female Futures, Female Jamborees, and Sask First Programming. Access to these programs is reserved for the members of Hockey Saskatchewan.

Any Junior A player who participates with a Non-Sanctioned winter hockey programming during the current winter hockey season and prior to February 10th of the current year and wishes to return to Hockey Saskatchewan sanctioned Junior A programming (SJHL), must apply for re-instatement to Hockey Canada. The deadline to apply is February 10th of the current year. Within the reinstatement application, support from the Junior A team, SJHL, CJHL and Hockey Saskatchewan must accompany the reinstatement application in order to be considered by Hockey Canada.

Any Junior B or C player who participates with a Non-Sanctioned winter hockey programming during the current winter hockey season and prior to February 10th of the current year and wishes to return to Hockey Saskatchewan sanctioned Junior programming, must apply for a concession from the Hockey Saskatchewan Registration Committee for re-instatement at the Junior B or C level. The deadline to apply is February 10th of the current year. The Junior B or C player submits their concession to their respective Junior B or C League through the team they wish to return to, and if the League chooses to support the application the League will work with the Hockey Saskatchewan Registration Committee to determine if the player can be accommodated.

Team Officials/Team or League Administrators/Officials (Referees or Linesman)

A. Non-Player Participants (Bench Staff)

Hockey Saskatchewan believes that it is important for its registered participants, to subscribe to and support the principles found in the LTAD model. This includes Bench Staff, who are expected to be role models for the players, and champions of the LTAD model.

If a non-player participant chooses to participate as Bench Staff within a Non-Sanctioned winter hockey program or activity during the winter hockey season and prior to September 30th of the current year and wishes to return to Hockey Saskatchewan sanctioned programming, they must apply for a concession from the Hockey Saskatchewan Registration Committee for re-instatement. The deadline to apply is October 31st of the current year.

B. Non-Player Participants (Officials)

On-Ice Officials, including referees and linesman, are representing Hockey Saskatchewan when they officiate Hockey Saskatchewan sanctioned games. It is expected, therefore, that they will be strong supporters of Hockey Canada's LTAD model and will not generally engage in officiating in Non-Sanctioned winter hockey programming. If any Official chooses to officiate in Non-Sanctioned winter hockey programming, that participation may be considered in determining whether that Official will be granted assignments for Hockey Saskatchewan sanctioned programming for the remainder of that season.

Minor Hockey Associations and/or Head Coaches of registered Teams will be held accountable in the event of a violation of this procedure and disciplinary action will be levied by the Hockey Saskatchewan Coordinator of Discipline.
