

Hockey Saskatchewan Board of Directors NOMINATION PACKAGE 2023

Thank you for your interest in being part of the HOCKEY SASKATCHEWAN ASSOCIATION. Our volunteers make our association the best in the country. The Hockey Saskatchewan Board of Directors is a highly motivated and passionate group of individuals who work toward the common goal of making the game of hockey better for all families and individuals within the province.

Hockey Saskatchewan is one of thirteen Branch Members of Hockey Canada – world leaders in the game of hockey.

The Hockey Saskatchewan Board is highly focused on Policy Governance while still providing operational oversight. All Directors are volunteers that spend countless hours working towards what is best for the Association as a whole. We do not represent individual communities or groups from within our membership. We are at the table representing the owners of the association which is all members.

Leadership is built from the ground up and usually starts with individuals wanting something better. As a potential Board of Director for Hockey Saskatchewan you will be a part of a team that is eager to learn, grow and contribute to making hockey better in Saskatchewan.

Please read the information in this nomination package carefully and provide a complete submission. If you have any questions or seek clarification about the Board of Directors, feel free to contact any current member of the Board or contact myself at your convenience.

Thanks again for your interest & good luck in your pursuit.
